### Profile

---

Software Engineer looking to join the labor market and gain experience as a full-time worker. Interested in applying and improving my interpersonal and personal skills in my work place.

### Education

---

**Bachelor's Degree in Software Engineering**, *Instituto Tecnológico de Sonora* 08/2018 – 03/2023  
Ciudad Obregón,  
México

### Languages

---

#### Spanish

Native

#### English

Upper Intermediate

### Professional Experience

---

**Software Engineer Intern**, *ACISLAB* 12/2022 – 02/2023  
Ciudad Obregón,  
México  
Worked closely with peers to identify issues and provide suitable resolutions.  
Prioritized tasks and completed in order of importance.  
Defined the technologies to use and how they will be used, so future interns can start implementing.  
Fixed a variety of bugs in the application.

### Interests

---

#### Reading novels and Listening to Podcasts

I like to consume media in the English language, as a form of studying, practice, and improvement.

### Skills

---

#### Programming

Java

#### Agile Software Development

Database programming

#### Software Used

MySQL, Android Studio, NetBeans, Visual Studio  
Code, Suite Office, Blender

Scrum methodology

Kotlin

#### Database management software

Python

NodeJS / Vue
